Jazz Man

This song talks about a one-man-band. With your parents' help, look up videos of one-man-bands on YouTube. This is what we are singing about!

Stopping by Woods on a Snowy Evening

The words in this song are from a very famous poem by Robert Frost called "Stopping by Woods on a Snowy Evening." Read through the poem in your music, using your finger to keep track of the words (especially where there are two verses on top of each other). Think about the story that the poem is telling. You can also look up videos of people reading this poem on YouTube.
