America the Beautiful

Oh Beautiful for spacious skies for amber waves of grain.
For purple mountain majesties above the fruited plain.
America, America, God shed his grace on thee.
And crown thy good with brotherhood
From Sea to shining sea!

God Bless America

God Bless America, Land that I love
Stand beside her, and guide her through the night with a light from above
From the mountains, to the prairie, to the ocean white with foam,
God Bless America, my home sweet home, God Bless America, my
home.....sweet.....home America!

One Song (link on Homework website)

Most important thing? Relax... Do your homework and do not get "twisted". We will be fine.

Important note: I like to consider myself a fairly laid back "coach", but some of you are...lets says pushing the wrong buttons by continually talking. I like to talk as well, and just so you know (and to remind others) how **"Mr. Carr can get before a concert"**. Basically, I'm all business and ask that you be, too until we have impressed the pants off our audience next week. Ok? Ok... ☺
