She Shall Have Music: OPEN THROAT. HAVE A WATERMELON in the Throat. Pt. 1 is 2/3 (2 against three) we will discuss this tonight. I would like for you to be familiar with the piece for next week. What that means is to practice your part with the recording.

Dolce Homework Due 3-21-18

For homework this week, I'd like the Dolces to practice the B section of Art Thou Troubled ("when the welcome spring..."). Sing it three times with the practice recording and three times without. If anyone needs me to resend the practice recording, just let me know!

They should look at their music when they practice to be sure that they are singing the correct words. The goal is to get the tune stuck in their heads, which will help them learn it faster.

Thank you so much, and please let me know if you have any questions!
