

Please see the assigned homework for the Dolces below. With our concert coming up in a few weeks, it is very important for each of them to do the homework and practice this week. Please let me know if you have any questions!

1. Sing through "Stopping By Woods" with the recording (attached here). Practice this song at least four times this week. Sing with nice, round vowels and pronounce the words very clearly!

2. Memorize Jazz Man. You probably have a lot of it memorized already, so see if you can sing through it without looking at your music. Here is a recording that you can use to practice: <https://www.youtube.com/watch?v=VJzvkJqZo4>

3. Please do not forget to bring your music to rehearsal next week.

Have a great weekend!

Ms. Taylor
