

Dear Dolce Parents,

Please see the homework assignments below. I'd like for these to be their assignments through March 7th, since we will be working on the same material this week's rehearsal and next.

1. Art Thou Troubled will be a Dolce-only song for the spring concert! Listen to and sing along with the attached practice track at least twice every other day. This song is split into two sections - an A section (ending at the bottom of the second page) and a B section ("when the welcome spring" through the last page). This is a "da capo" piece meant to be sung in an ABA format - we will sing section A and B, and then go back and sing A again, finishing at the end of the second page.
2. For those singing at the church service on March 11th, here is a practice track: <https://www.youtube.com/watch?v=FJMwG7h-d5M>. They can sing along and track the progression of the lyrics while watching the video. We will work on the ending this week.
3. If you are not singing on March 11, sing "Festival Alleluia" three times between now and our rehearsal after next. See if you can do it without looking at the words!

Thank you, and please let me know if you have any questions!

Best,

Taylor Simpson
