

Homework for Wednesday, March 20

Firstly, it was WONDERFUL to see you last evening. Your sound is FANTASTIC... really, we are so impressed! Please keep up the great work!

DOLCES:

The two Dolce-only songs will be ***Hope is the Thing with Feathers*** and ***May a Rainbow Run Beside You***. Everyone received copies of these songs several weeks ago, but a couple of choristers did not have them in their books last night. Please look for them at home and bring them to rehearsal next week.

HOMEWORK: Sing through each song with the recording at least three times before the next song. You **MUST** look at your music and follow along with the lyrics while you sing! This way you will be sure to learn the words correctly."

TROUBADOURS:

As I Hear the Sweet Lark: Work on the words up to "All my fond heart would say"

Give us Hope: Please have the entire piece memorized.

The Lord Bless You: Have the piece learned up to the start of the Amens.

One Song: Please listen to your part and learn as much as possible. Remember, this is a two-part piece, so please listen to ***your*** part. 😊

BEL CANTOS:

EXCELLENT rehearsal last evening.

Home Among the Hills: Have it completely memorized up to and including measure 34

Lord Bless: Work specifically on the AMEN'S, and then memorize your part.

Give us Hope: Memorized, please.

Lonely Goatherd: Review your part. This piece has A LOT of words, so it may help you remember them if you type them onto a 'cheat' lyric sheet? Just a friendly suggestion.

Review these and keep them fresh:

1. Sleep, Little One
2. Hine Ma Tov
3. One Song
4. Rainbow Connection
