

Troubadours:

Please memorize the last portion of Feed the Birds.; from the word through. OPEN MOUTH. Please make sure you are opening the mouth more than you think that you need to do so.

The Trout needs to be reviewed, especially your vowels. No one ever say WUZ, "I spied UH trout", or Creaturrrre, or naturrrrrre. Please fix them.

Bel Canto:

Away from the Roll needs attention. Open vowels, and blending your sound are the most important parts and even MORE than this, please please please make sure you know your part....I need confident singers, not limping through it.

She Shall Have Music. Watch me, and keep Hung---eeee---oh----- in your mind at the beginning....we may even sing that once. Keep the space in your mouth very open.

Memorize Younger Generation.

PLEASE BE PRESENT AT NEXT WEEKS REHEARSAL.

Happy Mother's Day!

KC
