

Troubadour Homework

1. Please know the top line (pt.1) for ***Younger Generation***
2. ***Feed the Birds:*** We will have sectionals next week for the group that is singing the lower part, so please do not worry too much about it this weekend.

Bel Canto Homework

1. Please search and listen to various choruses singing ***She Shall Have Music***
 - I want you to decide which one you like the best, and why. Be prepared to discuss.
 - Pt1. is Soprano; Pt.2 is alto and second sopranos
 - What is weight and color in music?
 - What do we use in She Shall Have Music?
2. ***Kalinka*** was GREAT! Remember that we need power followed by soft voices, then power again!
3. ***Flying free*** should be completely ready for performance by this coming rehearsal.
4. Per our discussion: (Bel Canto's Only)
Be prepared to discuss how you think rehearsals can be more efficient and less frustrating (when we all talk at the same time). It is my job to help you, so I too, will think and ask my colleagues about more efficient rehearsal procedures. For one, I know that I need to give you a break mid-way though, tell (show you via white board) my lesson plan for the rehearsal, etc. Speak freely about what you would like to change in rehearsals, and what you like.
