

Dear Bel Canto Choristers

Welcome to our 2017-18 season! If last evening was any indication of how our year is going then YAHOO!.... You were wonderful and I am so excited about our future...many big gigs in our future.

PLEASE make sure that you keep on top of your homework, email and our schedule as we have a lot to look forward to, every week.

Homework:

Please have a look at the four-part ***Doggie in the Window*** that we learned last evening. It is attached to this email. Sometimes, it is easier and more efficient to teach you pieces without having the music in hand, until later.

Siyhambya/To Music/Hine ma Tov:

Please memorize the lyrics to these 3 songs by next Wednesday where we will work in parts (part two and three) to make sure that we know the music. You will be amazed at how quickly we make this sound beautiful.

Pie' Jesu:

Please be familiar with the piece. Here is a U-Tube presentation of the piece. Of course, we will sound better, but it gives you an idea. ☺
